Estienne "Stephen" Morin

A French trader, by the name of Estienne Morin, had been involved in high-degree Masonry in Bordeaux since 1744 and, in 1747, founded an "Écossais" lodge (Scottish Lodge) in the city of Le Cap Français, on the north coast of the French colony of Saint-Domingue (now Haiti). Over the next decade, high-degree Freemasonry was carried by French men to other cities in the Western hemisphere. The high-degree lodge at Bordeaux warranted or recognized seven Écossais lodges there. In Paris in the year 1761, a patent was issued to Estienne Morin, dated 27 August, creating him "Grand Inspector for all parts of the New World". This Patent was signed by officials of the Grand Lodge at Paris and appears to have originally granted him power over the craft lodges only, and not over the high, or "Écossais", degree lodges. Later copies of this Patent appear to have been embellished, probably by Morin, to improve his position over the high-degree lodges in the West Indies. Morin returned to the West Indies in 1762 or 1763, to Saint-Domingue. Based on his new Patent, he assumed powers to constitute lodges of all degrees, spreading the high degrees throughout the West Indies and North America. Morin stayed in Saint-Domingue until 1766, when he moved to Jamaica. At Kingston, Jamaica, in 1770, Morin created a "Grand Chapter" of his new Rite (the Grand Council of Jamaica). Morin died in 1771 and was buried in Kingston.

EDDIE CAMPBELL, JR. LANE

WILLINGBORO, NEW JERSEY
RENAMES STREET IN HONOR OF THE LATE
G.I.G. EDDIE CAMPBELL, JR., 33°

Submitted by: S.P. Derek Pierson, 32° (No. 48)

God in his infinite wisdom saw fit to hold the storm back yesterday evening long enough for a beautiful street renaming ceremony. Placid Lane would become Eddie Campbell, Jr. Lane in honor of Mayor Eddie Campbell Jr. former longtime Mayor, Deputy Mayor and Councilman to Willingboro Township.

Under the leadership of Worshipful Master Derek Pierson of Woodlin Lodge

No. 30, where Mayor Campbell served as a Past Master. Various lodges within the Fifth Masonic District to include Grand Lodge Officers from the MWPHGLNJ joined the lodge brothers. They all joined with a grateful community in celebrating the life and service of one of its public servants who would give his all, in service to his country and community. Bro. Campbell was also a Grand Inspector General of Ophir Consistory No. 48, setting in the Valley of Trenton NJ.

WM Pierson opined, "Brother Campbell epitomized what a servant leader was both in the community at large and to his Masonic fraternity and we are all grateful!"

WILLINGBORO — Eddie Campbell Jr. never stopped calling himself a "little country boy" due to his upbringing in South Carolina, but he'll long be remembered as the "gold standard" when it came to leading Willingboro's municipal government.

Campbell, a Marine veteran, spent 17 years on the township council, many of them as either mayor or deputy mayor, before retiring in 2016.

During his long tenure, he helped oversee the re-development of the former Willingboro Plaza into the new Town Center, and he also wrestled with issues such as the foreclosure crisis, gangs, budget crunches and racial tension. But no matter what the issue, Campbell rarely failed to maintain his Marine-bred stoicism.

"He was the gold standard for mayors. He was tremendous," said Jim Ayrer, Campbell's longtime former colleague on council.
